Subject: Re: Evidence Based Methods in Environmental Health Session, Carpi October 30th 2016

Dear Daniele--I regret that I will not be able to attend this time. My IRIS program at EPA had already scheduled a public science meeting for later this same week.

Please keep me in mind for future activities. I hope to be able to attend next time.

Please accept my best wishes for a successful meeting.

With warm regards,
Vincent

Subject: Evidence Based Methods in Environmental Health Session, Carpi October 30th 2016

Dear Colleagues,

we would like to involve you for your extraordinary expertise and we would be delighted if you could take part to the Evidence Based Methods in Environmental Health session that we scheduled as a post-conference workshop after the upcoming Collegium Ramazzini Meeting in Carpi, Italy (<http://www.collegiumramazzini.org/ramazzinidays2016.asp>). The session will be held at the Hotel Touring in Carpi and is scheduled for Sunday October 30th 2016 - 2:30 PM to 4:30 PM Central European Daylight Time:

-2:30 PM to 3:30 PM - Group Meeting: Integrating Evidence Based Toxicology into Cochrane -
Moderator: Ellen Silbergeld

-3:30 PM to 4:30 PM - GRADE in Environmental Health: presentation of the project and future perspectives - Presentation by Kristina Thayer

Unfortunately, there is no support for travel or other costs for attending this meeting. In case you are interested in joining the meeting online, we also offer the possibility of remote attendance via Skype. Please reply to this email as soon as possible to confirm your attendance. Only registered participants can attend the session. There is no charge for this session.

Thank you and looking forward to seeing you in Carpi.

Best Regards,

Ellen K Silbergeld
Kristina Thayer
